**WHY JOIN THE
PORTUGUESE-AMERICAN
CHAMBER OF COMMERCE
OF NEW JERSEY?**

For many years businessmen in the Portuguese American communities of New Jersey have been asking why is it that when they need help and support there isn't an organization which they could go to seek assistance.

A group of Portuguese-American entrepreneurs decided to get together and resolve that situation. They created an organization which exists solely to assist the businessmen of the Portuguese-American communities in New Jersey and those who work with these communities.

The Portuguese-American Chamber of Commerce of New Jersey also known by its initials as P.A.C.C.N.J., is now a reality and available to all who wish to join it.

You now have a "voice" to support and defend your interests.
